meet people that we support

Jessica Bohman is our Executive Assistant at Restoring HOPE. She became the Community Impact Director and grew it to the point that we now need to restructure the position to accommodate our mobilizing-others emphasis.

Message from our Executive Director

Matt Bohman

Matt@rhope.us

Matt has been serving churches and helping people understand the Bible since 1992. He oversees our Day to Day operation and our **Multiplying** (coaching/proactive) efforts that include 1) **consulting** churches toward biblical mission 2) developing teaching & training material 3) training relationship/ministry skills and teaching Bible/religion and 4) our Ambassadors of HOPE **resourcing** movement. He also oversees our **Showing** 2nd step **counseling** efforts.

Much is happening at Restoring H.O.P.E. this summer! We are changing up staff responsibilities and adding more help to minister to more people.

We continue to help a church planter in Capon Bridge, W.V. with the support of the Central District, C&MA. Much progress is happening and much time has been invested there. I also am planning on visiting our West Coast ministry partners at the end of July / beginning of August. Hope to see my West Coast friends soon.

Matt

The first change is with our Community Impact Director

The Community Impact Director position is being split up into multiple positions. The five communities that we desire to impact will each have a point person with their own team of volunteers. Jessica will take on the role of Buckhannon Community Impact Director with her local responsibilities being divided up into three positions. The next page shows the new positions, as well as their functions.

Buckhannon, West Virginia

Jessica Bohman

Jessica is also our Executive Assistant and has worked serving people with Autism since 2000. SEE page 3 for detailed information on how we impact the people in Buckhannon, W.V..

The second change is with our Buckhannon Community Impact

We have restructured our Buckhannon Community Impact to spread the workload over three positions. This will allow us to impact 3 more areas in Upshur County as we partner with more churches. This will also allow us to encourage and equip more people with better 2nd step follow-through care as we multiply our Impact events.

The third change is with our Director of Advancement

Our Director of Advancement position has been an overwhelming task for one person. So instead of finding one person to promote and raise all of our budget needs, we are breaking up the Director of Advancement's job into four part-time positions. We offer a superior commission rate. Contact Matt for additional information.

Your partnership allows our Staff to pay our bills and feed our kids. It allows us to be with those that are hurting. It allows all of us to be a part of a bigger team that is feeding children in poverty, rescuing little girls from sex trafficking, rescuing drug addicts, and rescuing adult sex slaves from being trafficked against their will.

Together, we are bringing Heaven's will on Earth!
